

In 2012, Vincent Keith Minor Jr. and Andre Brown organized a heartfelt gift to underprivileged individuals, feeding and ministering to the homeless. Regularly, Vincent, Andre, and their team traveled to multiple locations within the metro Atlanta area serving comfort meals and distributing clothes, blankets and other items to individuals in need. To assist in their ministry, vkprojects collaborated with Mr. Brown to organize a Care Package Distribution/Feeding the Homeless event on September 17, 2016 at 3:00pm. This event was a huge blessing with us being able to feed up to 70 individuals and also distribute over 150 care packages. We would like to thank everyone for their contributions via donations and their presence at the event.
